

with Paul Stegmaier

Learn about different ways to reach out to your clients and co-workers using some of Google's innovative communication options to help grow your business network. You might be able to simplify your life by using some of the programs and technology Google has to offer. In our free session we will cover what Google Communications offers, why it's important for business, as well as touch upon Google Voice, GOOG-411, Google Moderator, Blogger, Calendar, and Groups.

***This session is ONLY for NSBAR Members. If you are not a member, you may consider joining as a secondary member with NSBAR in order to attend our free membership appreciation classes.***
