

## **SITTING TIGHT IN A ROCKY HOUSING MARKET**

Staff from Interfaith Housing Center will be at NSBAR Northbrook on February 21, 2012 from 2:00pm to 3:30pm. They manage a **HUD certified and funded Foreclosure Prevention Program** and a **Homesharing Program**.

The free seminar provides updates regarding short sales, workout scams, fair lending news and the role of the Housing Center in reviewing both originated loans and loan modifications and in investigating claims of fair housing/lending issues.

Learn how Homesharing helps vulnerable homeowners gain income to possibly avoid foreclosure. Homeowners can also use this income to retain their housing while their homes are on the market.

They can be a resource for you and your clients – at no cost.

Our presenters from Interfaith Housing Center:

Jasmine Brewer, Director of Housing Counseling

Jacqueline Grossmann, Direction of North Suburban Homesharing
